***Professional Builder* Announces the 100 Best New Products 2008**

June 3, 2008, Oak Brook, Ill. – Lightline Over-Door Canopies by Feeney has been named one of *Professional Builder* magazine’s “100 Best New Products” of 2008.

The 100 Best New Products Award was created to recognize innovations, highlighting manufacturers that are investing in research and development. Announced annually, these awards are chosen by *Professional Builder* editors based upon:

- Technological Advances
- Significant Product Improvement
- New Product Lines
- Increased Product Lines
- Nationwide Availability

Products are judged in 10 different categories including exteriors, interiors, windows and doors. All winners are displayed in the June issue of *Professional Builder* magazine.

To view all of the 100 Best New Products, visit www.probuilder.com.

###

Professional Builder is published by Reed Business Information (www.reedbusiness.com/us), which offers business professionals in the media, manufacturing, electronics, construction and retail industries more than 75 Webzines and portals, 80 market-leading business-to-business publications, directories, plus several market research, email direct marketing, and subscription data base businesses. Reed Business Information is part of Reed Elsevier (NYSE: RUK and ENL) – a world-leading publisher and information provider operating in the science and medical, legal and business-to-business industry sectors.
