

CableRail Used in ABC's Extreme Makeover Show

Feeney was proud to be a participant in the *Extreme Makeover: Home Edition* project benefitting the Cerda family in Las Vegas, NV. Feeney donated 1/4" Standard Cable Assemblies that were used as an additional infill element on the metal framed interior railings. The railings were fabricated and installed by Old World Iron of Henderson, Nevada.

Extreme Makeover: Home Edition is a two-time Emmy Award-Winning ABC television show produced by Endemol USA, a division of Endemol Holding. The Cerda family project is episode #624, and it aired on May 10th 2009. Visit the photo gallery for this episode at <http://abc.go.com/primetime/xtremehome/>
