**NEW FEENEY ARCHITECTURAL PRODUCTS®  
CATALOG AVAILABLE**

***- Catalog highlights sixty years of experience showcasing entire product line of railing cable assemblies, railing frame systems, cable trellises, door canopies and rod assemblies -***

OAKLAND, California, January 2009 – If your next building or remodeling project requires a railing that won't impair a great view, or a doorway canopy that provides both flair and function, or a wall trellis that supports a cascade of green foliage, a product catalog from Feeney Architectural Products can help provide the products and inspiration.

The new, 72-page color catalog highlighting Feeney's entire Architectural Products line is now available. The catalog features product descriptions, environmental information, technical details, installation instructions, accessory items, detailed product photography and numerous application photos that show how Feeney products improve views and enhance the architectural beauty of building exteriors and interiors.

The catalog detailing Feeney's CableRail™ cable assemblies, DesignRail® aluminum railing systems, CableTrellis™ trellises, StaLok® rod assemblies, and Lightline® door canopies is available upon request by calling 800-888-2418, faxing 510-893-9484, emailing, [sales@feeneywire.com](mailto:sales@feeneywire.com), or online ordering at [www.feeneyarchitectural.com](http://www.feeneyarchitectural.com).

Designers, architects, builders, remodelers, and homeowners can use this well-designed, comprehensive, and useful resource to gain inspiration and add to their product catalog library. "New and distinctive architectural designs require products that add to the finished detail elements of a project," said Andrew Penny, vice president of marketing and advertising at

Feeney. “Our new catalog illustrates how the range and versatility of our products fits well with numerous applications and complement a wide variety of design styles. We celebrated Feeney’s 60<sup>th</sup> anniversary last year and our catalog demonstrates how that experience can really make a difference.”

## About Feeney

Feeney Inc, based in Oakland, California, is a leading manufacturer of high quality stainless steel and aluminum products, marketed under their Feeney Architectural Products line. They celebrated their 60<sup>th</sup> anniversary in 2008. For more information and technical support, please call the Customer Service Hotline at 800-888-2418.
